

Temporary Policies and Procedures

rev 4/12/2021

All Skaters, Players, Parents, Coaches and other entrants must follow the required policies, rules, regulations, and guidelines or they may be asked to leave the facility.

If you are unable or unwilling to abide by any of these guidelines, or if you are uncomfortable with or don't like what we're trying to do here for our community, please do not visit our facility.

Waiver and Release of Liability must be printed at home from the website, filled out legibly, and signed before entering our facility each and every time you visit. Those who do not bring their own Waiver may be charged a \$1.00 fee and sent to the end of the line.

Participants may be accompanied by one additional person only. All entrants must stay in designated personal distancing areas while inside, or wait outside the building. Parent/Guardian and minor child may occupy the same area.

Masks are required at all times on and off the ice.

Skaters and players should arrive dressed and must wait outside until 15 mins before their schedule session. Goalies may enter 30 minutes prior to their slot. Skaters and Players will have 15 minutes vacate the facility following the end of their session. Please observe common decency while changing outside.

Cleaning, sanitizing, and disinfecting procedures are in place.

Currently, we are allowed to offer limited programs.

PERMITTED PROGRAMS:

- Public Skating
- Freestyle
- Figure Skating Private Lessons
- Stick Time
- Hockey Private Lessons
- Adult and Youth Hockey Clinics

NOT PERMITTED:

- Birthday Parties
- Adult and Youth Hockey Games
- Vending Machines and Water Fountains.

All sales final. No refunds.

These Policies and Procedures may be modified as conditions change and experience dictates.
